## WORK EXPERIENCES & STUDIES

- FRONT-END DEVELOPER - ALTIMA PARIS** July 2015 - Current   
Altima Paris is my first experience in a large agency. They have offices in multiple countries. I have joined the Paris team to develop websites for big companies.
- FREELANCER - BRAINRA** Jan. 2014 - Current   
Being a freelancer helped me develop skills apart from internships, contracts and school. This way, I got to collaborate with web agencies and designers throughout the world.
- FRONT-END DEVELOPER - CLUB MED** Aug. 2016 - Oct. 2016   
As part of my experience at Altima Paris, I was asked to work with the team at Club Med and contribute to the development of their responsive website powered by React.JS.
- STUDENT IN A WEB SCHOOL - HETIC** Sep. 2011 - Dec. 2016   
Student in the first webschool in France, focusing on webdesign, front-end development, and project management. Graduation in December 2016.
- FRONT-END DEVELOPMENT INTERN - MASHVP** July 2015 - Dec. 2015   
I have been a creative front-end developer for a 5 months internship at Mashvp. I have been asked to have the lead on the development of projects, their behaviour and dynamism.
- FRONT-END DEVELOPMENT INTERN - MADE AGENCY** June 2014 - Oct. 2014   
MADE Agency is located in Cape Town, South Africa. I was in charge of developing microsites, Social-oriented experiences, and single-page applications.
- WEB DEVELOPER - POGOMIX & THE BREEZE STUDIOS** June 2012 - May 2014   
I developed the website for the Australian artist Pogo ([www.pogomix.net](http://www.pogomix.net)), and conceived the website for The Breeze Studios.
