DIPLOMAS & STUDIES

HETIC – MASTER'S DEGREE, DIGITAL COMMUNICATION ENGINEER - MONTREUIL, FRANCE

SEP. 2011 - DEC. 2016. I acquired expertise in web development along with a solid experience in web design.

CAMBRIDGE ADVANCED ENGLISH CERTIFICATE - PARIS, FRANCE

JUNE 2014. English CEFR level: C1

SCIENTIFIC BACCALAURÉAT - NOGENT-SUR-MARNE, FRANCE

JUNE 2011. Acquired at Montalembert institute.

WORK EXPERIENCES

FREELANCER - BRAINRA, PARIS, FRANCE

June 2014 - Current

Being a freelancer helped me develop skills apart from internships, contracts and school. This way, I got to collaborate with web agencies and designers throughout the world.

WEB CONFERENCE TEAM - AWWARDS

Feb. 2014 - June 2017

(Volunteering) Welcoming between 300 and 650 attendees, the AWWARDS conferences happen all around the world, and are the place to be to discuss what tomorrow's web will be made of. As part of the team, I help throughout the conference days in various tasks. Conferences took place in Paris, Barcelona, Amsterdam, Los Angeles, and New York.

FRONT-END DEVELOPER - ALTIMA, PARIS, FRANCE

Jan. 2016 - Dec. 2016

Altima Paris is my first experience in a large agency. They have offices in multiple countries. I have joined the Paris team to develop websites for big companies.

FRONT-END DEVELOPER - CLUB MED, PARIS, FRANCE

Aug. 2016 - Oct. 2016

As part of my experience at Altima Paris, I was asked to work with the team at Club Med and contribute to the development of their responsive website powered by React.JS.

FRONT-END DEVELOPER - MASHVP, TOULOUSE, FRANCE

July 2015 - Dec. 2015

(Internship) I have been a creative front-end developer for a 5 months internship at Mashvp. I have been asked to have the lead on the development of projects, their behaviour and dynamism.

FRONT-END DEVELOPER - MADE AGENCY, CAPE TOWN, SOUTH AFRICA

June 2014 - Oct. 2014

(Internship) MADE Agency is located in Cape Town, South Africa. I was in charge of developing microsites, Social-oriented experiences, and single-page applications.
